

MY HOBBIES

My name is Elena and I am fifteen years old. I live in Badajoz, which is in Spain. I am in Second Year of ESO now. I have many hobbies and interests.

I love watching and playing football. *Apart from* football I *like* basketball. My favourite team is Real Madrid. *However*, I *also like* to see how Badajoz F.C. gets on, as it is my home team. They are not very good, but I am happy when they win.

I read a lot, mainly horror thriller novels. I *also* love fantasy stories. At the moment, I am reading "The Lord of the Ring", *although* it is a very difficult book.

My main hobby, *however*, is music. I have got a lot of CDs and I *enjoy* listening to all kinds of music including opera and Spanish music. I *also love* old songs. My personal favourite song is "Imagine" by J Lennon.

My hobbies *also include using computers.* I *enjoy* the Internet, and chatting with my friends. I chat twice a week with a group of friends, which is great fun. I spend a great deal of my free time at my computer.

My other main interest is films, especially comedy films. I *really love* going to the cinema, I *enjoy* both Hollywood and European movies. My *favourite* film is "Titanic" and my favourite actor is Leonardo Di Caprio.

I have a very large circle of friends. Luisa, Pablo and Juan are my best friends. I *love* spending time with them and we have a really good laugh when we go out.
